

ABDULLAH KHAN

WEB DEVELOPER - CONTENT CREATOR

+923331279569 | Nazimabad Karachi | kkabdullah24@gmail.com | abdullah.vercel.app

CAREER SUMMARY:

I am a web developer with experience in both frontend and backend development. I've built responsive websites and interactive projects using HTML, CSS, JavaScript, PHP, and MySQL. Additionally, I've handled live call bookings, managed content creation, and executed social media marketing strategies in my past roles.

WORK EXPERIENCE:

Surveillance Officer / Data Entry - Break Time Corner Market

January 2022 - October 2022

Overseeing surveillance operations, monitoring activities, preparing reports, and managing data entry for parcel tracking and personnel records.

Content Writer / Social Media Manager - Tree House Production

January 2020 - July 2020

Managed content creation, page administration, and executed social media marketing strategies.

Sales Executive - SUENOS / HELLO / NEXUS - International Marketing

March 2018 - October 2020

SUENOS - Handled live calls for booking Duct Cleaning services.

HELLO - Supervised live call bookings for Duct Cleaning services.

NEXUS - Generated sales leads through live calls for braces and body corsets for pain relief.
